## MedEvac

---

**S**TAT MedEvac is a service of the Center for Emergency Medicine of Western Pennsylvania in Pittsburgh, Pennsylvania. The primary function of STAT MedEvac is to provide air medical transport and as of July 2017 two ground ambulances for patients with an injury or critical illness. STAT MedEvac is directed by a consortium of hospitals of the University of Pittsburgh Medical Center (UPMC) that include UPMC Children's Hospital of Pittsburgh, UPMC Altoona, UPMC Hamot, UPMC Mercy and UPMC Presbyterian Shadyside. STAT MedEvac's base of operations is in West Mifflin, Pennsylvania, at the Allegheny County Airport. With 18 helicopter base sites across Pennsylvania, Maryland, New York, Ohio, and the District of Columbia, It is one of the largest single operated and dispatched air-medical transport system in the United States. STAT MedEvac uses two types of helicopters for patient transport, the Eurocopter EC 135, and the EC-145. STAT MedEvac is a Direct Air Carrier E3MA774L and arranges and coordinates the operation of air ambulance services. All flights are operated by STAT MedEvac. [3]
